Dear Customer:

We appreciate and thank you for choosing the Flecks® Systems for your surfacing/re-surfacing needs. We take pride in providing the only true granulated TPR in the industry and are certain that your choice of the Flecks® System will provide many years of satisfaction.

We would like your feedback and welcome any questions and/or concerns regarding your experience with the products and/or installation of your Flecks® Systems.

This certification ensures that we continue to provide exceptional service to our customers. We ask that you please complete and sign this customer acceptance certificate where indicated below. This will certify that the job was completed as contracted and you are completely satisfied with your Flecks® Systems product and installation.
